### **by For-Profit Businesses**

Formalized 2-13- 2019

The Castle Rock Senior Activity has a policy of “No Soliciting and/or No Presentations” of products or services by For-Profit Business for financial gain. It is our desire for the Center to be a place for seniors to come and enjoy a commercial-free and unsolicited environment. We allow select businesses to present on educational topics without an expectation of financial gain on a limited basis as approved by the Executive Director.
